

HOW TO ADD PLAYERS TO YOUR ROSTER

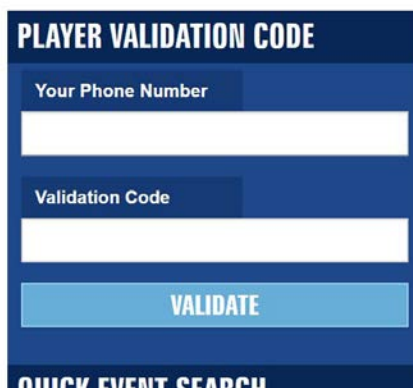

The system does not distinguish what fields are required for a player to be sent the “Confirmation Code”. The required fields look to be:

- 1) *First and Last Name (as listed in the system)*
- 2) *Birthdate (as listed in the system)*
- 3) *Email address (not a duplicate but proprietary)*
- 4) *Mobile Phone Number (**must be cell number**)*

New players to the system will still need State Director approval. A copy of the player’s driver’s license along with their phone number and email address are required to be sent to the State Director. The State Director will do a search then add the player.

When a player is ADDED to the roster by the Manager, the player will then receive an EMAIL notifying them they have been added to the roster. If they DO NOT HAVE A PLAYER ACCOUNT setup on www.usssa.com they will then receive a VALIDATION CODE via text message. TELL YOUR PLAYERS TO BE ON THE LOOKOUT FOR THIS AND DO NOT REPLY STOP TO THIS UNDER ANY CIRCUMSTANCES.

After each player receives the Validation Code, they will then need to go to USSSA.com, click “Slowpitch” and on the Team Home page in Blue, enter the Code and Phone Number (same Mobile/Cell Number) as the coach provided. Each player must key in the exact information and follow instructions precisely.

The image shows a mobile application interface for player validation. At the top, there is a dark blue header with the text "PLAYER VALIDATION CODE" in white. Below the header, there are two input fields: the first is labeled "Your Phone Number" and the second is labeled "Validation Code". Both fields are currently empty. Below the input fields is a light blue button with the text "VALIDATE" in white. At the bottom of the screen, there is a dark blue footer with the text "QUICK EVENT SEARCH" in white.

Once a player is logged in they will first need to accept the current year player waiver electronically. Failure to do this will prevent them from being added to ANY roster.
